I wish to thank you for your lovely gift, an Azalea plant, delivered to my home in Felton.

The ANA in San Francisco is over . . .

A message from **Larry E. Benson**,
Assistant General Chairman

Wow! Wow! Wow!

**What a Wonderful Experience.
The San Jose Coin Club shows
its stuff.**

The 2005 ANA Worlds Fair of Money has come and gone and we helped make it happen. It was an inspirational experience. Mints from around the world presented their coinage. Exhibits not to be equaled were displayed with care and professionalism. There were numerous million dollar coins on display. Hundreds of dealers displayed their coins in a bourse area large enough to play a couple of football games in.

Ken Barr, the shows General Chairman, solicited a committee of volunteers from San Jose, the greater bay area and southern California. Each of the chair persons did an outstanding job representing the ANA and the sponsoring San Jose Coin Club. I want to single out several people who worked above and beyond the call of duty.

Ken Barr stands tall. He was at the show Monday morning at 8 AM and he remained until the end of the show at 5 PM Sunday. He was everywhere. He did everything. He was inspirational. When a problem popped up, Ken was there to help resolve the problem and provide leadership.

Al Lo coordinated the volunteers. Through his efforts, 6 or 8 work stations were manned every day from 9 AM to 6:30 PM. He coordinated and trained over 40 volunteers working at the show, people from San Jose, Oakland,

Danville, and Fremont and throughout the Bay Area. Some of his volunteers were there every day. A special thanks to **Chuck Call & Dorothy Galovich, Don & Briita Ehlers, Gordon Donnell, Alan Douglass, Gene Hoy, Ron Ishizaki** and others who worked multiple shifts adding up to 20, 30, 40 hours or more.

Patricia Russ coordinated special activities and tours of San Francisco. Patricia gave new meaning to the words "hard work". She was at every tour, making sure that each tour was a success and making sure that each person enjoyed their activity. Many, many positive comments were heard regarding the Friendship Luncheon. Patricia's "Goody Bags" were the highlight.

Sally Johnson and her loyal assistants, **Ray Johnson** and **Ryan Johnson** made the page program a great success. Also helping were **Larry & Greg Klein** and **Don & Briita Ehlers**. Every day their crew of 44 youth provided assistance to anyone and everyone needing help at the show. What a great way to introduce youth to numismatics.

Many of us did not know **Don and Terry Foster** before this show, but we know them now. Don and Terry orchestrated the most outstanding numismatic exhibit program, I have personally seen. The exhibits included wonderful high end promotional displays punctuated by about 100 competitive exhibits. These displays included material that one may only see once in a life time.

Michael S. Turrini coordinated an overlapping schedule of Numismatic Theater Presentations. Speakers covered topics ranging from "Great Collectors and Their collections" by **Q. David Bowers** to the well received "Jack London and The Barsi Family Connection" by our own **Don Barsi**.

Larry Benson reported he had received a letter from the City for renewal of Parkside Hall Convention Center. Larry also noted that there will be an increase in the rental of Parkside Hall for the 2007 show. Our current rate is approx. \$8000 for the weekend, but it will be raised to \$4000 per day; making it \$12,000. **Larry** passed out the list of 2006 show responsibilities. He managed to get volunteers for most of the positions. **Bourse Chair, "J" Sarti** reported 14 applications have already been received.

It was also a pleasure to meet and work with **Michael Wehner**, Honorary Show Chairman and a leader in the San Francisco Collecting Community. **Michael** led several numismatic walking tours which were well attended and enthusiastically received.

Congratulations and my personal thanks to everyone who participated in making this show an overwhelming success.

. . . And ANA General Show Chair, Ken Barr adds this:

Thanks to **Larry Benson** for the above ANA Convention report. He did, however, omit one very important person in his write-up, **Assistant General Show Chair, Larry E. Benson**.

Larry was proactive throughout the convention planning process, always looking for potential problems and resolving them before any consequences could become evident. He went well beyond the normal responsibilities of his position, providing, among other things, the detailed public transit directions to the show site and show volunteer travel/parking reimbursement information that was published in the previous newsletter. He designed, ordered, picked up, delivered and sold the volunteer tee-shirts that were so well-received by both club members and the ANA staff. At the convention itself, he was always on the go, working to identify and resolve problems as they came up, as well as providing transportation throughout the city to **Convention Manager, Brenda Bishop** and others as required. He also served as official stepladder procurement officer, obtaining and delivering a critical piece of equipment required for the convention banquet photograph.

My sincerest thanks go to **Larry**, the other committee chairpersons and all of their assistants for their dedicated service that they provided to the San Jose Coin Club and the ANA in this rare opportunity to bring an ANA convention to Northern California.

FYI: IN CASE WE FORGOT TO THANK EVERYONE BY NAME, WE ARE SORRY . . . BUT WOULD LIKE TO SAY A "BIG THANKS" TO EVERYONE WHO HELPED WITH THE SUCCESS OF THE ANA SHOW IN SF!

AT THE SANTA CLARA EXPO

San Jose Coin Club, in conjunction with the Santa Clara Expo Show started a program similar to our SJCC coin show incentive to encourage dealers to stay open until the show closes on Sunday. The difference is that at the San Jose Show we have a free drawing on Sunday afternoon with five \$100 winners and at the Expo show SJCC sells raffle tickets to the tabled dealers with first prize being full bourse fees paid and second prize is half of their bourse fees being paid. In both cases the dealers must be present to win. Since the start of this Expo program in November, 2004, the club has raised \$1280 (\$292 in Nov., 2004, \$452 in Apr., 2005 and \$536 in Jul., 2005). We would like to thank ticket sellers Ray Johnson, Sally Johnson, Ryan Johnson and Gordon Donnell for their hard work.

First prize winner - All bourse fees paid - John Christensen of Spectrum Numismatics.

Second prize winner - Half of his bourse fees paid - Armando Nieto of Del Rosa Stamp and Coins.
